

Swarthmore College Agora Application

Due by March 31, 2014

Please answer the following application questions and email them to swarthmoreagora@gmail.com. In addition to your completed application, please attach a sample of your project (in PDF format) that you feel well represents it, and a description of the sample. This sample could be anything from a writing excerpt, results of research, to digital images.

Kindly include the following personal information in your email:

- Full Name
- SwatMail Email Address
- Academic Department
- Project Title
- Colloquial Abstract of the Project
- Academic Abstract of the Project

Answer each of the following written responses in 250-500 words:

1. Explain why you believe your project deserves to be shared with the community, and how the community might benefit from learning about it.
2. Explain why you study what you do, and why you think it is a significant pursuit.
3. Tell us about your ambitions in your field, and how you see your project influencing those ambitions.
